

RURBAN CLUSTER

(HINNER (GAURA))

DEVELOPMENT BLOCK

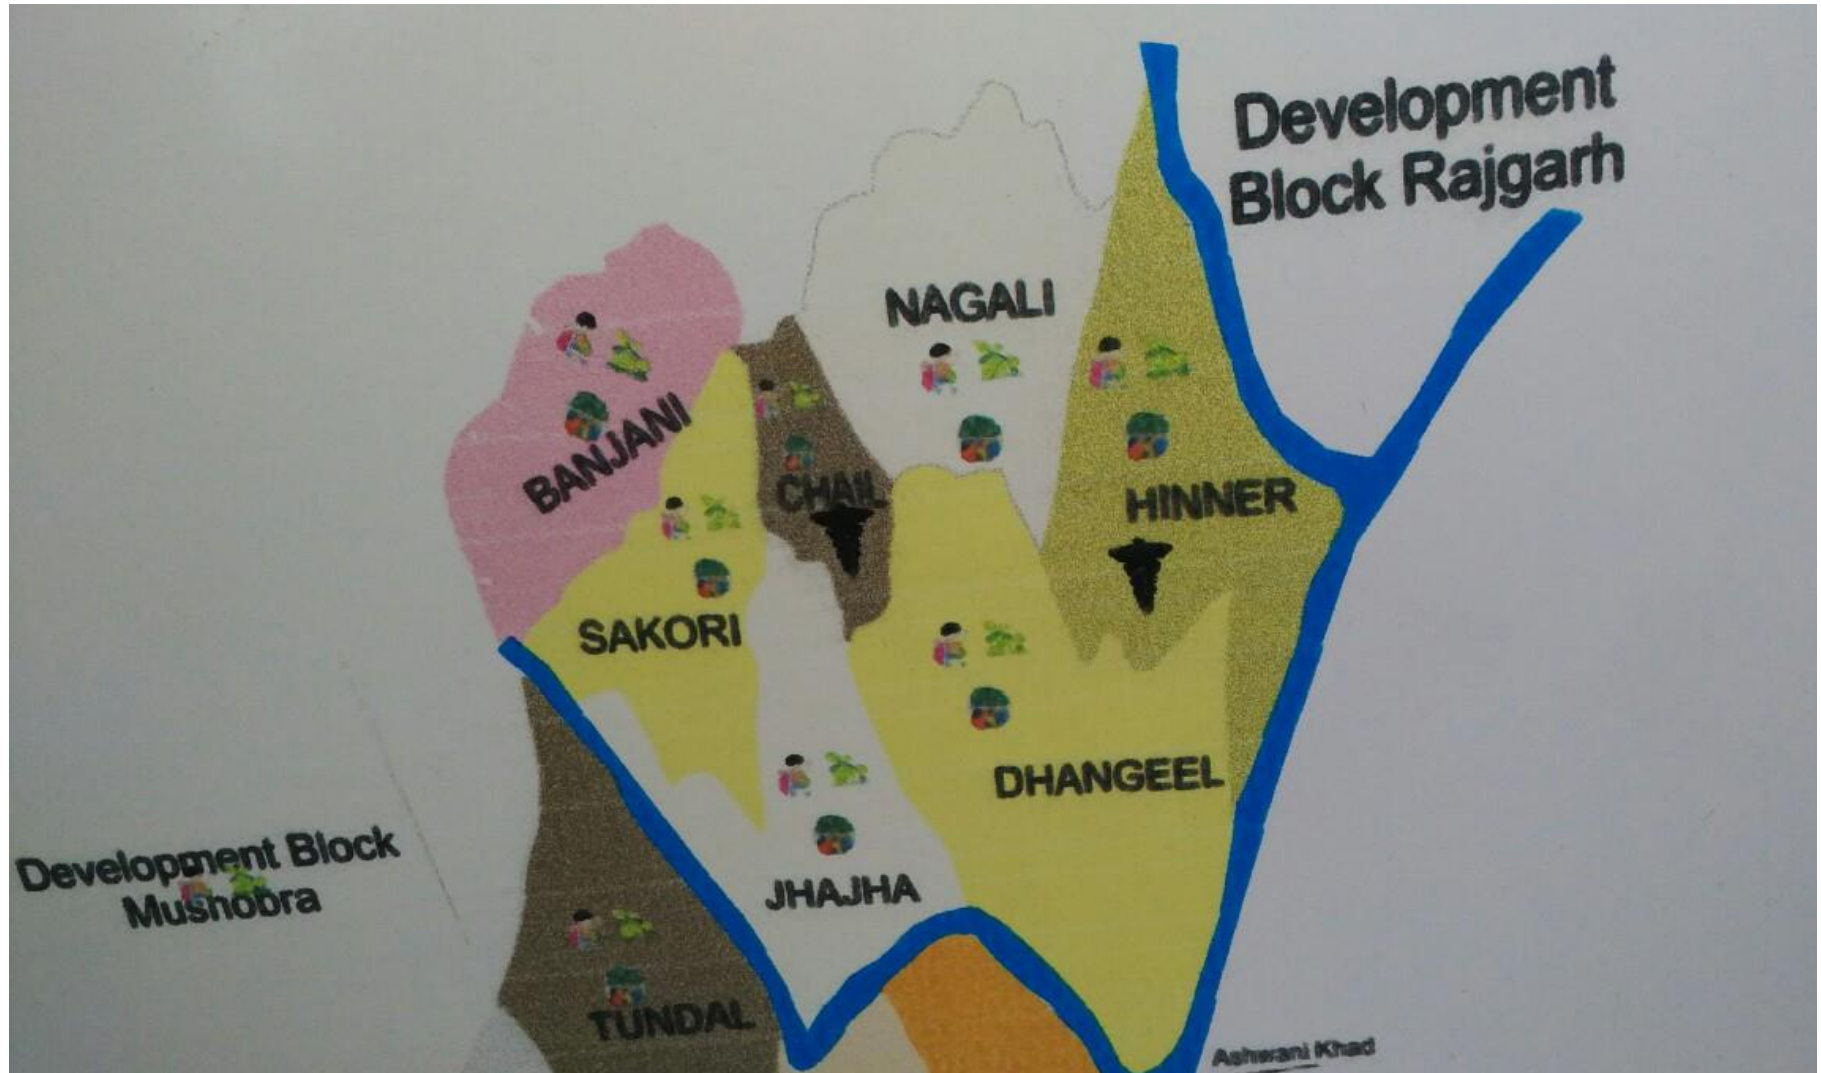

KANDAGHAT

DISTT. SOLAN (HIMACHAL PRADHESH)

The proposed RURBAN CLUSTER, consists of seven number Gram Panchayats and all of them fall under Development Block Kandaghat. All the Gram Panchayats are easily approachable, well conversant and connected to road facility. Main occupation of the villagers is farming whereas some specified villages {Village Mahog, Jhaja, Shakog, Kohla in Gram Panchayat Jhaja, Village Sakori in Gram Panchayat Sakori, Village Kanodi in Gram Panchayat Nagali and Village Garinja in Gram Panchayat Dhangil} have opted flower culture as main occupation. Whereas, in Gram Panchayat Chail and adjoining, many have opted Hospitality {Resorts, Hotels, Restaurants and Dhabas} as their main occupation.

CLUSTER :

MAP

The proposed RURBAN CLUSTER, lies at a distance of 10-50 kms from Block Head Quarter, being all Gram Panchayats adjoining to one another and well connected by roads. The main features of the RURBAN CLUSTER is its scenic beauty, and hard working nature of the residents. The whole area is well connected to the road facility and most of the village population is economically stable. Due to the natural beauty of the area, tourist love to visit the area all year round. Recently, village Rahed in Gram Panchayat Hinner has been selected as an idol site para gliding, which surely would add up to tourism development in the area. The RURBAN CLUSTER starts adjoining to Ashwani Khad and most of the Gram Panchayats form the watershed catchment for the same only.

SWOT ANALYSIS OF CLUSTER

The Strength of the Cluster is it's natural beauty, enchanting views, beautiful temple of Goddess Kali{Kali Tibba}, Chail Palace, Gurudwara, Village Mahog which is famous for the flower culture.

Whereas Government has proposed a sight for sky diving in Gram Panchayat Hinner and as the project gets approval, this could lead many people to earn there

Main Weakness for the cluster is maintenance of clean environment and sanitation conditions. Tourist visit the cluster and spoil it's beauty by throwing litter here and there.

There is shortage of community sanitary complex in the way as well

**HINNER
{GAURA}**

In terms of opportunities, the cluster has a vast scope to be developed as a Tourist Hub.

One of the main threats is the unavailability of properly managed conveyance system. The whole road route from Kandaghat till Chail, covering Sakori, Jhaja is single way and hence difficult to be managed during tourist seasons as well as crop season of farmers. Road connecting Banjani and the other Nagali to the Chail area is in a very poor condition and is fit for only HMV. Hinner whereas enjoys a proper road connectivity upto head quarter but the link roads are not worth there even.

VISION STATEMENT FOR THE CLUSTER

“ The Hinner {Gaura} cluster will be developed as a tourism cluster and will strive to be a green, ODF, zero waste, e- cluster...”

THANK YOU
